01 I Saw my Lady Weep

02 Ayre

03 Crye

04 Pavane

With sweet 17 Innsbruck based analog fanatic Krowley launches his first 4-track-EP. Instead of becoming a Schönberg piano prodigy, he found his love in experimental electronic music, but always flavoured with a very special organic ambience. His sound's an oscillation between dubstep, electronica and downbeat with heavy influence of acoustic instruments under reference to renaissance music.
