15.06.2008

### **John E. Flash**

### **Mountainscape EP**

w + p by Martin Huber

01 Elegiac

02 Brooks

03 Pasture

04 Brimstone Butterfly

John E. Flash is one of the carriers of autark. As host and DJ he has been around in the Innsbruck area for a couple of years. Now is the time to add a new part: the producer. Mountainscape is an attempt to merge several influences such as electronica, techno and hip hop to a whole. John E. Flash takes off his alpine boots and produces sound far away from montane romanticism.
